

Institutional Quality Assurance Cell (IQAC), BAIUST

WORKING PAPER OF THE 10TH ACADEMIC COUNCIL MEETING

1. IQAC has facilitated the participation of faculty members in several training sessions organized by BAC, UGC and BAETE. IQAC is trying to materialize the knowledge and experience of those trainings in the enhancement of academic activities of the university.
2. With a view to implementing OBE curriculum for all the programs, IQAC has guided all engineering and non-engineering departments except the Department of Law on how to incorporate the outcome-based education features. The Department of Law will also start soon.
3. IQAC observes that the departments implemented their submitted Teaching-Learning Guidelines for online academic activities including Term Final Examination on different platforms like Zoom, Google MEET, Google Classroom, Messenger, WhatsApp, FlexiQuiz, Google Forms etc. Besides, the engineering programs conducted a blend of online and on-campus sessional classes and examinations.
4. IQAC along with the departments arranged various workshops to mobilize quality assurance in the university.
